

Highly stimulating two days. Brilliant, brilliant program of speakers."

2018 Conference Delegate

What does effective change leadership actually look like and how do we know when we're getting it right?

The need for change in safety-critical industries has never been greater. Leadership teams are facing challenges on an unprecedented scale.

This conference will provide you with a unique opportunity to:

- ▶ Challenge and compare your perspectives with world class change leaders in other industries.
- ▶ Gain new insight and ideas from real world accounts of success and failure, adaptation and disruptive innovation.
- ▶ Go beyond the theory and discover the unexpected.

Inviting you to our
2020 conference
